I, _____ commit to membership in the Jackson Hollow Farm CSA for the 2010 Season from June thru October (approximately 18-20 weeks) . As a member, I commit myself to supporting the farm with my ideas, input, and Half Share price of \$300. In addition, I commit to pick up, or send my representative to pick up, my weekly share at an agreed upon pickup point. I understand that if I do not pick up my share it will be distributed to other members or given to the needy. I do not expect to have my share saved.

As a member of the CSA, I will receive a weekly Half Share for the 2009 Season consisting of approximately ½ bushel of vegetables per week, an average of 4-7 items per week. The shares will vary in size and weight depending on the season, they will be lightest early in the season.

I understand that the variety of vegetables I receive is dependent on growing conditions that vary from season to season and that the risks and benefits of the harvest are shared. I understand that I am investing in a fertile local farm that is dependent on normal weather conditions to be most productive. There is some risk of crop failure, which is minimized by growing a wide variety of crops. I understand that there will be no refunds and that my share size could be less than expected.

Jackson Hollow Farm agrees to make all reasonable efforts to protect your investment in the 2009 crop and to deliver your share as described above to the designated pickup site at the scheduled dates and times.

If you wish, you may add chicken and egg shares to your membership:

- _____ Full Chicken Share (10 broilers) \$150
_____ Full Egg Share (1 doz/week for 20 weeks) \$80

I prefer to invest by:

- ___ Paying in full, by check or money order, with submission of this contract
___ Making 2 payments, half by check or money order with submission of this contract and the second half due by March 31, 2010
___ Pay in full by credit card through PayPal
___ Pay in full by credit card through Local Harvest

Checks for shares are payable to: **Jackson Hollow Farm**
